Sir,

Appointment of teachers in the Municipal High Schools.

I have the honour to state that in connection with the opening of Municipal High Schools at Tyamagondla and Nelamangala, two of the locally available Brahmin graduates whose names are noted in the margin have been appointed on Rs 40-4-60 to facilitate the starting of the schools The vacancies have also been classified and advertised in the gazette as 'SPECIAL' , the appointments made above are purely temporary pending the posting of recruits selected from the applications received in response to the advertisement No applications have yet been received in response to the advertisement from the Public Service Commissioner

Mr T K Subramhnya Sastry
" Seetaramiya

Meanwhile, the Head Masters of both the Municipal High Schools report that the work of these 2 teachers is satisfactory and the Secretary of the High School Committee recommends that they may be given the maximum pay viz Rs 60/- in the grade 40-4-60 As already reported in connection with the recruitment of teachers to the Municipal High School, Dodballapur, it has been impossible to procure teachers- brahmin or backward class In view of the very temporary nature of appointments and of the non-avalability of teachers, I recommend that as resolved by the High School Committee he teachers, now employed, may be granted a pay of Rs 60/- Similar concession has been shown to the
